1. Introduction

Established in 2011, ORCD is an Afghan national organization registered with the Ministry of Economy. ORCD's efforts are guided by its mission "Using evidence-based best practice approach, empower communities to set and achieve their own development goals".

ORCD has Special Consultative Status with the UN ECOSOC since 2015; ORCD is the first Afghan NGO representing civil societies in the Economic and Social Council (ECOSOC) of the United Nations. Such status had never been granted to any Afghan NGO before in the history of Afghanistan.

With funding from UNFPA, ORCD is planning to construct waiting areas, install portable (mobile) latrines, handwashing facilities, and fencing for the Service Delivery Points (SDPs) which have already been established in different provinces. The expansion activities will take place close to the prefabricated containers previously installed by ORCD.

It should be noted that ORCD requires the completion of these activities on an urgent basis (preferably within 20 – 25 days after the contract award). Therefore, companies that do not have the technical and logistical capacity to undertake the assignment within the deadline are kindly requested to avoid applying.

ORCD cordially requests all vendors who wish to apply to read the requirements of this document thoroughly, provide each and every document accordingly and avoid offering unrealistic prices.

Please Note: You can only apply for one of the four Lots that have been announced simultaneously. If ORCD finds out that a company has offered bids for more than one LOT, all their bids will be automatically disqualified, and the company will have no right to complain.
